

Do you like talking about nature?

Do you get really interested with the outdoors?

😊 If so, then you are invited to become a Missouri Junior Leader!

The Missouri Junior Leader program is a student scholarship program made possible by the Missouri Master Naturalists, Missouri Department of Conservation, and the Missouri University Extension. The Junior Leaders are students who like going outside. They are students motivated to learn new things. They like to share what they know about nature with the public. Their goal is to make a difference and help our environment through education!

👍 Requirements to be a Junior Leader:

- Must be age 11-18 years old.
- Will need parent's permission.
- Transportation to and from events.
- Good listening skills.

👍 What Junior Leaders do:

- Have fun!
- Explore.
- Volunteer.
- Learn about nature. Some things to learn about will include: Bats & Caves, Outdoor Safety, Insects & Pollinators, Native Missouri Plant I.D.
- Teach the public at local nature programs and festivals.

👍 Junior Leaders get:

- Adventures!
- Recognition.
- Cool outdoor gear! (based on volunteer hours)
- College scholarship money! (based on volunteer hours)
